Tax Director Stacey Swanson presented the board with the new application for a conditional use permit to mine scoria, gravel, sand, rock, or clay.

The board reviewed zoning requests that had been addressed by the zoning board at their March 1, 2012 meeting as follows:

Scott Schneider applied to re-zone approximately 44.97 acres of Lot 7 in section 6-141-101 from agricultural to recreational. He also submitted an application for a conditional use permit to construct four guest cabins on the site. The zoning board approved the requests. The zoning board approved the permit. Thompson moved to uphold the zoning board recommendation. Kasian seconded. All voted aye.

In 2010 Bridger Pipeline applied to re-zone 15 acres for the Skunk Hill Station in the NE1/4 16-141-98. The original site plan had two tanks outlined. They were given a permit for the first tank and this new permit is for the second tank. The zoning board approved the request. Kasian moved to uphold the zoning board recommendation. Thompson seconded. All voted aye.

The board received and approved the following permits:

Construction in County Right-of-Way Permits

Kasian moved to approve the agreement. Thompson seconded. All voted aye. Donna Adams drafted a letter of response indicating that the county did wish to enter into the agreement.

The bid award for the sale of the #3 fuel tank advertised for bids at the February 7, 2012 special meeting was terminated due to an error in advertising the size of the tank. The tank will be re-advertised and bids opened at 10:00 A.M. on April 3, 2012 at the Billings County Courthouse.

Craig Kubas with Kadrmas, Lee, & Jackson met with the board for the monthly engineer's report. The bids for Wannagan Creek Road project number CP-04(08)01 were opened. Kasian moved to accept the lowest bid conditional upon the engineer's review of the tabulations. Thompson seconded. All voted aye. The cost of this project is to be split between the three districts, with 3rd district being credited for providing the gravel.

Craig Kubas and Jeff Iverson attended the bid opening for the Highway 10 Improvement project that was held in Stark County. Billings County's share of the project was bid at \$2,743,000.08. \$1,200,000.00 of that will be

covered with the oil impact grant. Thompson moved to approve and accept the bid. Kasian seconded. All voted aye.

A Partial Termination of Easement for portions of Wannagan North Road located in Section 4-141-102 and Section 33-142-102 was received from the Forest Service. The letter indicated that this portion of road has since been realigned, and is currently covered under a new easement issued to Billings County granted on February 2, 2012. State's Attorney Brovold advised not releasing the existing easement until the new road was built. The board tabled the request until the road is built.

The board recessed from 12:20 to 1:00 P.M.

Jeremy Woods with Tooz Construction was present for the opening of the concrete replacement bids for the 1st District shop. One bid was received in the Billings County Auditor's Office prior to 1 P.M. as advertised. One bid was received after 1 P.M. and was not opened. Thompson moved to accept the Tooz Construction bid. Kasian seconded. All voted aye.

Pat Rummel and Jeff Iverson discussed purchasing pumps for emergency purposes. Emergency funds cannot be used for this purpose. They inquired whether the board would consider buying them from another fund. They are approximately \$40,000 each. Arthaud moved to purchase one with general funds. Thompson seconded. All voted aye.

A Private Road Special Use Permit (Permit ID#: D7-12-02-01 was received from the Forest Service. The permit is for 3,772.18 feet of National Forest System Road (NFSR) #745-5 located in Section 12-139-103 Golden Valley County. The road would access a scoria pit on private land in Section 7-139-102 in Billings County.

The board discussed the generator the school purchased with L.U. Funds the county gave them for the purchase. The L.U. funds are federal funds to be used only for roads and schools. It is the board's understanding that at the last school board meeting they decided to sell it back to the county for \$10 and keep the trailer. However, the county has received no official notification of this from the school. The board directed the auditor to contact the school and find out.
